In the Matter of:

THE NOTICE	OF PURCHAS	SED GAS)		
ADJUSTMENT	FILING OF	MT. OLIVET)	CASE NO.	9918-F4
NATURAL GAS	S COMPANY,	INC.	Ì		

ORDER

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On May 26, 1993, Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") filed its quarterly gas cost adjustment ("GCA"), which is to become effective July 1, 1993 and is to remain in effect until September 30, 1993.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

- 1. Mt. Olivet's notice of May 26, 1993 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on to its customers the wholesale increase in gas costs from its suppliers in the amount of 95.35 cents per Mcf. Mt. Olivet's expected gas cost ("EGC") for the quarter beginning July 1, 1993 is \$4.2236 per Mcf.
 - 2. Mt. Olivet's notice set out no refund adjustment.

- 3. Mt. Olivet's notice set out a current quarter actual adjustment in the amount of (11.74) cents per Mcf to compensate for previous over-recovery of gas cost through the operation of its gas cost recovery procedure during the months of October, November, and December 1992. The total actual adjustment of (92.66) cents per Mcf is designed to correct the current over-collection as well as under- or over-collections from the previous quarters.
- 4. The combined effect of the above adjustments is Mt. Olivet's gas cost recovery rate ("GCR") in the amount of \$3.2970 per Mcf, which is an increase of 66.68 cents per Mcf from its last approved rates.
- 5. Mt. Olivet's adjustment in rates set out in the Appendix to this Order, pursuant to the GCA provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987, is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after July 1, 1993.

IT IS THEREFORE ORDERED that:

- 1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after July 1, 1993.
- 2. Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.
